MEMBERSHIP INFORMATION

ABOUT US

Our mission is to foster programs and initiatives that enhance the quality of life for people living and working in the "City Beautiful." Membership funds and donations represent a sound investment in your community. Our recent initiatives include:

CoralGables@HOME

The first nonprofit membership organization in Florida designed to support superior, at-home living. A CoralGables@HOME membership offers peace-of-mind for a more secure, fulfilling, and fun lifestyle.

Greening of the Gables

In an effort to replace many trees lost in the hurricanes and storms, the Foundation started the **Greening of the Gables** initiative. This has significantly improved the beauty of the Gables business district, most recently, through the planting of beautiful oaks and palms along Alhambra Circle.

Parknership

A private/public initiative, **Parknership** has been successful in creating new parks, enhancing existing ones, and restoring historic fountains in the "City Beautiful."

The Coral Gables Museum

The Foundation served as the incubator for this exciting initiative. The beautiful Old Police and Fire Station on Salzedo will be the site of a museum, art gallery, and lecture hall.
